\* Subject to VAT at current rate

### **To get started**

To start using CAL Online you simply purchase a start-up pack. This start-up pack includes the support and credits you need to begin using the system.

Start-up pack: £199 + VAT  
This start-up package includes:

- 100 credits to use in CAL Online
- CAL Online Users' Manual (PDF)
- CAL technical Manual
- Telephone support

### **Half-day user training (optional): £900 + VAT**

This half-day in-house training course which teaches up to 5 delegates how to use the CAL Online system.

### **Online aptitude test - CATO**

CATO is charged at £10 + VAT per test per candidate – this is applicable to all the test series available on this site (Utopia, B2C & CWS).

Therefore if you were to administer the Utopia verbal test, B2C numerical test & CWS Mechanical reasoning test in one campaign this would cost £30 + VAT per candidate.

These costs include the scoring, interpretation and report for each candidate.

---

### **Combined personality and aptitude test - Trinity**

Trinity is charged at £25 + VAT per candidate. This cost includes the scoring, interpretation and report for each candidate.

---

### **Online surveys**
